

Is Postherpetic Neuralgia pain targeting you?

If you have chronic postherpetic neuralgia pain, find out how you could participate in a medical research study.

Local doctors are currently conducting a medical research study of an investigational pain medication for individuals with moderate to severe chronic pain due to postherpetic neuralgia (PHN).

To be eligible for this study, you must:

- Be 21 years of age or older
- Be medically diagnosed with PHN
- Have moderate to severe chronic pain due to PHN

All study-related visits, tests, and treatments will be provided to participants at no cost. In addition, compensation for time and/or travel may be provided.

To learn more about this study, please contact:
